*Karen Arriaza Ibarra stood for both Vice President and International Council member, and was elected to both. Her IC position was allocated to the next highest voted IC candidate on the list.

**Shahla Adnan (Fatima Jinnah Women University, Pakistan) was elected as a member of the IC. However she is also co-chair of the proposed Inclusive Communication and People with Disabilities Working Group, and heads of sections or working groups cannot serve as elected members of the IC. Assuming the working group will be approved by the General Assembly, her IC position was allocated to the next highest voted IC candidate on the list, Alina Bernstein. If the working group is not approved by the General Assembly, Shahla Adnan will take Alina Bernstein's place on the IC.
